

General Technical Specification on RG-174 Cables

Attenuation

8.4 db/100ft @ 100MHz
12.50db/100ft @ 200MHz
34.0db/100ft @ 1000MHz

Conductors

26 awg bare copper covered steel

Construction

Polyethylene insulation, black PVC jacket, tinned copper braid, 90% shield.

Operating temperature

0.40 to +167 degree F (-40 to 75 degree Celsius.)
